PROFILE

I am a hardworking and determined student eager to use my skills to help businesses achieve their goals while gaining a variety of knowledge and experience.

WORK EXPERIENCE

DESIGN ASSISTANT

Monica Hart Interior Design - West Fargo, ND 2021-PRESENT

- Sole assistant to individual owner-operator of the interior design business.
- Draft floor plans and elevations for client projects using AutoCAD.
- Meet with reps and other design professionals to discuss product options that fit the needs of clients.
- Provide assistance in choosing furniture, fixtures, and equipment during client meetings.

INTERN

Carton Interiors - Dublin, Ireland SUMMER 2023

- Create 3D renderings for client projects using SketchUp.
- Produce concept and material boards that accurately portray design solutions to the client.
- Learn how to complete projects using the metric system.
- Organize the material library and become familiar with European products, materials, and manufacturers.

BARISTA

Bully Brew Coffeehouse - West Fargo, ND 2023-2024

- Make coffee and other menu items consistently, accurately, and up to the company's exceptional standards.
- Deliver an excellent customer experience to every person, every time.
- Work as a team with co-workers to manage demands of peak business hours.
